(except as provided in §19.133) on premises where any other business is conducted.

(Sec. 201, Pub. L. 85–859, 72 Stat. 1353, as amended (26 U.S.C. 5178))

#### § 19.132 Continuity of premises.

The continuity of the distilled spirits plant shall be unbroken except for separations by public waterways, thoroughfares, or carrier rights-of-way. However, where there are other separations of the plant premises and all parts of the plant premises are in the same general location, the Director may approve the registration of the distilled spirits plant if he finds no jeopardy to the revenue.

(Sec. 201, Pub. L. 85–859, 72 Stat. 1353, as amended (26 U.S.C. 5178))

## § 19.133 Use of distilled spirits plant premises.

- (a) *General.* No business or operation shall be conducted on the premises of a distilled spirits plant other than those authorized in accordance with subpart D of this part or those authorized to be carried on or conducted by the notice of registration.
- (b) Bonded premises. Bonded premises shall be used exclusively for distilled spirits operations. Spirits in packages, cases, or other portable containers on bonded premises shall be stored in a room or building. However, upon application by the proprietor, the regional director (compliance) may approve an alternative method of storage of such spirits if such method is suitable for the protection of the revenue and the effective administration of this part.
- (c) General premises. General premises are any portion of the distilled spirits plant described in the notice of registration other than bonded premises. General premises may not be used for any of the operations required to be conducted on bonded premises. Business offices and service facilities may be included as a part of general premises.

(Sec. 201, Pub. L. 85–859, 72 Stat. 1353, as amended (26 U.S.C. 5178))

# § 19.134 Bonded warehouses not on premises qualified for production of spirits.

- (a) Criteria for establishment. (1) A bonded warehouse, other than one established on the bonded premises of a distilled spirits plant qualified for production of spirits, or contiguous to a distillery operated by the warehouseman, may be established if the need therefor is clearly shown and the prospective needs of the warehouseman will be for the bonded storage of not less than 250,000 wine gallons of bulk distilled spirits.
- (2) When commercial bonded warehouses are not available in an area and it is impractical to have a warehouse of 250,000 wine gallon capacity, the regional director (compliance) may approve the establishment of a warehouse without regard to the minimum storage requirements.
- (b) Application. (1) The application for registration to establish a warehouse shall be accompanied by a separate written application setting forth the necessity for the establishment of the warehouse.
  - (2) The application shall include:
- (i) Approximate quantity of bulk spirits that will be received, stored, and withdrawn annually;
- (ii) Probable number of depositors of spirits;
- (iii) Approximate number of persons to be served from the warehouse; and
- (iv) Data or documents indicating the prospective volume of business or need for establishment.
- (c) Approval. (1) The regional director (compliance) may approve the application for registration if the proposed location of the warehouse will not be a jeopardy to the revenue and there is satisfactory evidence of the need for establishing a warehouse.
- (2) The regional director (compliance) may also limit the type of operation to be conducted at a bonded warehouse established with less than the minimum storage requirements.
- (d) Special condition. The proprietor of a warehouse established for a limited type of operation shall not, in any

manner, expand or change his operation to include any other type of operations until, pursuant to written application to make such change, he has obtained the approval of the regional director (compliance).

(Sec. 201, Pub. L. 85–859, 72 Stat. 1353, as amended (26 U.S.C. 5178); sec. 805a, Pub. L. 96–39, 93 Stat. 275 (26 U.S.C. 5171))

## Subpart G—Qualification of Distilled Spirits Plants

## § 19.151 General requirements for registration.

- (a) *Operations.* Except as otherwise provided by law, operations as a distiller, warehouseman, or processor may be conducted only on the bonded premises of a distilled spirits plant by a person qualified to carry out such operations under this subpart.
- (b) *Establishment*. A distilled spirits plant may be established only by a person who intends to conduct at such plant operations as a distiller, as a warehouseman, or as both.
- (c) Registration. Each person shall, before commencing operations at a distilled spirits plant, make application for and receive notice of registration of his plant with respect to such operations as provided in this part. Application for registration shall be made on Form 5110.41 to the regional director (compliance). Each application shall be executed under penalties of perjury, and all written statements, affidavits, and other documents submitted in support of the application or incorporated by reference shall be deemed to be a part thereof. The regional director (compliance) may, in any instance where the outstanding notice of registration is inadequate or incorrect in any respect, require the filing of an application on Form 5110.41 to amend the notice of registration, specifying the respects in which amendment is required. Within 60 days after the receipt of such notice, the proprietor shall file such application.

(Sec. 201. Pub. L. 85–859, 72 Stat. 1349, as amended (26 U.S.C. 5172); sec. 805(a), Pub. L. 96–39, 93 Stat. 275 (26 U.S.C. 5171))

### §19.152 Data for application for registration.

Application on Form 5110.41 shall include the following information:

- (a) Serial number and statement of purpose for which filed.
- (b) Name and principal business address of the applicant, and the location of the distilled spirits plant if different from the business address.
- (c) Statement of the type of business organization and of the persons interested in the business, supported by the items of information listed in §19.167.
- (d) Statement of the operations to be conducted.
- (e) In respect of the plant to which the Form 5110.41 relates, a list of applicant's operating and basic permits, and of the operations, withdrawal, or unit bonds (including those filed with the application) with the name of the surety or sureties for each bond.
- (f) List of the offices, the incumbents of which are authorized by the articles of incorporation or the board of directors to act on behalf of the proprietor or to sign the proprietor's name.
- (g) Description of the plant (see §19.168).
- (h) List of major equipment (see §19.166).
- (i) Statement of maximum proof gallons that will be produced in the distillery during a period of 15 days, stored on bonded premises, and in transit to the bonded premises. (Not required if the operations or unit bond is in the maximum sum.)
- (j) With respect to any distilled spirits plant which was not qualified to operate before June 1, 1985 a certified statement that relevant and material accounting records (including regular books of account and such other records and data as may be necessary to support such records) will be maintained in accordance with generally accepted accounting principles which enable the proprietor to file a correct distilled spirits tax return or determine whether he is liable for distilled spirits taxes.
- (k) Statement of physical security measures employed (see §19.153).
  - (l) As applicable, the following:
- (1) With respect to the operations of a distiller:
